

Leadership & YOU!

Regardless of your level, this workshop provides a roadmap that will fit your particular inclination. Discover how to lead, rather than what to lead. The morning focuses on where we are now, or the leader we are today, and the afternoon focuses on where we're going, or the leader we'll be tomorrow. Learn to become the Transformational Leader you were meant to be.

Course Modules

Morning:

- #1 – Defining Leadership
- #2 – Are Leaders Born or Made?
- #3 – Your Leadership Profile
- #4 – Leaders vs. Managers
- #5 – Becoming Authentic

Afternoon:

- #6 – Leadership: A Closer Look
- #7 – Position vs. Personal Power
- #8 – Functional vs. Holistic
- #9 – Navigating Your Environment
- #10 – Your Leadership Philosophy

Note: Space is limited.
